WE'LL MEET YOU AT THE LIBRARY

Dear Patrons,

Our March programming schedule may look a bit different! There is a survey on the "Youth" page of our website in which we have asked for your thoughts on programming. In response to input given in the survey as well as suggestions made in person, we have added some fun new ideas!

In response to your requests, you will find more S.T.E.A.M./S.T.E.M. activities, craft days, and even a Lego building day. We have also added online registration!! Simply go to our website, click on the "Programs" tab, then "Event Registration." Choose the programs you are interested in (no limit) and add these to a calendar so you don't forget. 😊

There is an exciting new program open to families and grown ups! The "Cookbook Book Club" (try saying that 3 times fast!!) gives you the opportunity to try many new recipes - think potluck + book club. Sign up, make a themed recipe (we have lots of cookbooks and cooking magazines here at the library!) and bring it in to share. We will talk about the process, come up with possible variations, and more. The theme this month is "Something Green" and we'll meet on Monday 3/11 at 7pm. Please register!

We ask that you continue to give us feedback so that we may better match the needs and wants of our town! Tell us in person or fill out the survey online.

All our best,
Janice Wiers, Library Director
Heather Lindsay, Youth Librarian/Assistant Director

YOUTH ART MONTH AT MEB!

Be sure to stop in this month to see artwork from Swasey School, CMS, and EHS students!

Also on display this month - ChildVoice - a photo exhibit featuring the work of 3 photographers, including the Pulitzer Prize- winning photojournalist, Mary Chind-Willie, Dr. Larry Lindell, and Dr. Neil Mandsager. Their photos document the work ChildVoice does to empower war-affected girls in Uganda, South Sudan, and Nigeria.

STAFF SUGGESTIONS

WE NEED YOUR HELP TO PLAN A GREAT NEW PROGRAM!

"What is it?"
You ask.

A nature-based adventure activity!
It will be open to everyone;
kids, grown-ups, and families.
And guess what,
there will be prizes for participants!

What we need from you:
we would like to know your favorite local
outdoor spot!
This should be a place where you go to make
new discoveries, relax, and immerse yourself
in nature.

When will this program happen?
During the month of May, so stay tuned for
more details!

Think this sounds fun?
Tell us your outdoor location!
Email us at brentwoodlibrary@comcast.net
